

**91 Project**  
**Date: May 27, 2016**  
**CONSTRUCTION ALERT**

[Anuncio en español](#)

**Nighttime Full Closures of Eastbound 91 at Maple Street  
Extended to June 2, 2016**

As part of the Riverside County Transportation Commission's (RCTC) 91 Project, there will be a series of nighttime full closures of eastbound 91 at Maple Street. The closures will continue next week on May 31, June 1 and June 2 from 10 pm to 5 am each night. No closures will occur during the Memorial Day weekend.

The closures will allow crews to safely remove the support structures from the new westbound 91 Maple Street on-ramp bridge and install the support structures for the widening of the Maple Street Bridge.

Motorists will be directed to use the Maple Street off-ramp and reenter eastbound 91 at Paseo Grande.

During this time and throughout construction, motorists are reminded to follow the posted speed limit within the 91 Project construction zone, allow extra travel time, follow detour signs, and carpool or use public transit, when feasible.

For questions, please call the helpline or visit the website noted below. Thank you for your patience and understanding.

**Closures of the westbound 91 at Maple Street, previously planned to begin on June 1, will begin once the eastbound 91 closures are complete. Please watch for new dates next week.**
